3. Unfinished Business

- a. Keying Around update Information

Natalie reported there was a meeting with Lisa Bridge from the market to coordinate their market and Keying Around events. She is waiting for 1 more piano and will deliver all at one time. There are painters for all 3 pianos. We need to get a press release about kick off.

- b. Asian exhibit update Information

Susan has scheduled 3 presenters. Japanese flower arranging, Emily Hu Roji Home & Garden landscape/Asian feel, Japanese brush painting. The Sister City Association may also have a table.

There was discussion about sister city members showing their own private collections of Asian items. It was suggested that the sister city association could have their own event at a separate time. They could then make the determination on what to exhibit.

Two speakers in lobby need coverage for their tables when they are presenting. It was suggested that we brand these presentations with “Art Talk on the Art Walk”. We could also have an article in the paper publicizing the presentations.

Piecing Together update.

Police display will be moved to the end of the lobby near the police department.

Piecing display will be open from 10-1 on Saturdays in June. Eileen will do June 3. Commission members were asked to let Karen or Sharon know which Saturday they are available to tend to the exhibit.

- c. Civic Center Art Acquisition Review RFP

The RFP was reviewed and minor changes were made. This will now go to the City Council for approval.

- i. Review current collection Information for now (June)

Karen will revise the inventory to reflect which items need to be placed somewhere.

4. New Business

- a. 2017 Performer Submissions Determine performers

The members reviewed the applications and selected performers. We need to do more outreach in the future so we may receive applications from other groups.

Susan will work on scheduling those selected for Music in the Park. The others may be used for plaza programming.
