NOTICE TO CONSULTANTS REQUEST FOR QUALIFICATIONS ON CALL SURVEYING SERVICES

The City of Sequim is soliciting Request for Qualifications (RFQ) from qualified firms to provide on-call surveying services. An on-call agreement(s) for consulting services will be awarded in an amount not to exceed \$70,000 with individual task orders negotiated for each task assignment. The agreement(s) will be for two (2) years and may be extended at the discretion of the City. The City of Sequim reserves the right to amend terms of this "Request for Qualifications" (RFQ) to circulate various addenda, or to withdraw the RFQ at any time, regardless of how much time and effort consultants have spent on their responses.

Description of Services

Services shall include design surveys, right-of way survey, construction staking, control surveying, GIS mapping and other miscellaneous services. Firms selected will receive an on-call task order agreement with the City Sequim. Individual tasks will be negotiated as stand-alone assignments terminating when the task budget is exhausted or the task time frame has expired.

The majority of work completed for the City will be submitted in AutoCAD 2010, or later, file format with appropriate layers, symbols and coordinate datum. Firms should also possess the capability to provide files in Land XML and TIN files with break lines, both of which should be compatible with Autodesk Civil3D 2010, or later.

Scope

The purpose of this contract is for the selected firm to supplement services performed by the City's engineering and planning staff. The consultant will be responsible for the contract administration, management, inspection and coordination of all sub-consultant's work. The consultant will be required to sign and seal any documents that are developed as part of this contract. Services provided under this contract may include but are not limited to the following:

- Design/Basemapping Surveying
- Digital Terrain Model Creation
- Construction Staking
- Boundary Line Surveys
- Utility Surveys
- Survey Control Establishment
- Geographic Information System
- Earthwork Quantity Takeoffs
- Drafting

Evaluation Criteria

Submittals will be evaluated and ranked based on the following criteria:

- 1) Qualifications (Expertise/Capacity of Firm)
- 2) Key personnel
- 3) Relevant project experience

Submittal of SOQ

Submittals must include the following information: Firm name, phone and fax numbers; Resume(s) of key personnel including (Up to three (3) single-sided 8.5"x11" Page Max); List of Past Projects with brief description and project reference contact information (Up to three (3) single-sided 8.5"x11" Page Max).
