

# An idea to improve life in Sequim...

## Project: Pet Waste Stations

Materials: \$3,600

Installation: \$600

Project Administration: \$1,300

**Total Cost: \$5,500**

Ongoing Annual Maintenance: \$4,200

**Locations: 7 in Sequim neighborhoods**

### What will the project do?

The seven additional Pet Waste Stations will provide convenient ways to dispose of pet waste on popular walking trails throughout the city. The stations will be maintained by City staff, including providing bags and emptying waste.

### How will it improve the City of Sequim?

These stations will promote wellness for our community members and their pets, by encouraging walking and meeting neighbors. The stations keep pups happy, sidewalks clean, and waste out of our stormwater system!

**At the Civic Center (152 W. Cedar St.)**

May 3 from 5-8pm

May 4 from 9am-4pm

May 6 & 7 from 7:30am-4pm

Placed near neighborhood information kiosks on:

- ◆ Bracket Road
- ◆ West Sequim Bay Road
- ◆ Blake Avenue
- ◆ Miller Road
- ◆ 3rd Avenue
- ◆ North Sequim Avenue
- ◆ Port Williams Road
