

## ***Our Mission***

We use the law to protect and promote sound public policy.

## ***Our Vision***

We will achieve sound, responsive, and responsible public policy through:

- Understandable rules and codes
- Reduced source of claims and complaints
- Improved laws and policies
- Happy, productive workplace
- Weathering changes
- Increased regional innovation and forward thinking
- Satisfied community
- Inter-department and inter-agency collaboration
- Everyone understands the rules or knows who to ask
- Workplace and community satisfied at large
- Unforeseen challenges are met
- Public policy makes sense and looks forward

## ***Our Values***

- Responsive Advice
- Creative Advocacy
- Details Matter
- Constructive and Respectful Dialogue
- Encourage Teamwork
