

Thank you to everyone who participated in the Polco survey on solid waste and recycling. The City of Sequim will soon be entering negotiations to renew our contract with our solid waste/recycling provider, Olympic Disposal Company. Your input helps the City to understand our citizens' priorities and better negotiate for the desired services.

Below is a summary of the poll results. To see the complete report, visit <https://polco.us/sequim-wa/> and click on the *Results* tab. Click on *Learn more about this* and *View Results* on each question to see the full report including comments.
