

Thank you to everyone who participated in the Polco survey on emergency preparedness. The City of Sequim works in close partnership with Sequim Fire District 3, Clallam County Emergency Management and our local partners in emergency preparedness and response to disasters. This information will be shared with them to help us with education and preparedness programs in our community.

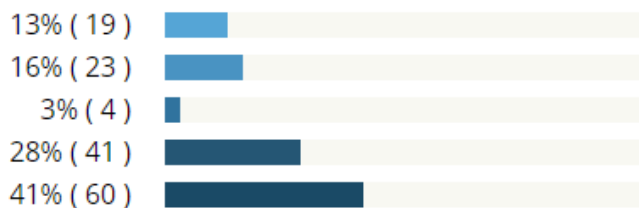

Below is a summary of the poll results. To see the complete report, visit <https://polco.us/sequim-wa/> and click on the *Results* tab. Click on *Learn more about this* and *View Results* on each question to see the full report including comments.
