Good morning everyone,

Attached please find the packet for our 3CCORP Treatment Workgroup meeting this Friday April 12, 9:30-11:30 at Red Cedar Hall in Jamestown. I believe one of our workgroup members accidentally sent out a calendar invite and then a cancellation for the workgroup meeting with an incorrect location - sorry about that! It is indeed this **Friday April 12, 9:30-11:30 at Red Cedar Hall.**

Thank you!

Hi Charlie,

Not sure if you knew this received some funding in the State's budget and the tribe has purchased land behind Costco in the River Road EOA. As you can see I'm meeting with Eric and Brent tomorrow to discuss the project. According to Brent it's now public so I thought I better give you a head's up in case you hear from some Council members or

I'll keep you apprised while you are away.

Subject: Whatcom County jail MAT settlement

CJOW members,

For those who don't yet know, the Whatcom County jail reached a settlement last week with ACLU about providing MAT to prisoners. Here is the press release:

Attached, for the true wonks among us, is the actual settlement.
