Hello Shanie, Gary and Joel (and I didn't get the other gentlemen's name who helped in our discussion)...I just want to say it was a delight yesterday (especially at the end of your day) to work with you. Many times when going to get a drivers license or to work with some other government entity, I feel like I'm either being scrutinized, on trial or I'm just another number. You all were fantastic, willing to help me in trying to understand the nature of buying lot 14 in the Estates Subdivision as well as great advice in getting building plans prepared in the right way. You have a great team! Thanks, David Rich (360) 531-4814
