**TO REPORT A BUSINESS IN VIOLATION OF
GOVERNOR INSLEE’S STAY HOME, STAY HEALTHY ORDER**

To reduce the spread of COVID-19, Governor Inslee’s “Stay Home, Stay Healthy Order” requires every Washingtonian to stay home unless they need to pursue an “Essential Activity”. If you suspect a business is in violation, please review Washington State’s Essential Business webpage at <https://coronavirus.wa.gov/whats-open-and-closed/essential-business> to determine if the business may be conducting “Essential” activities.

DO NOT CALL 911 TO REPORT THESE VIOLATIONS

To report a violation within Sequim city limits, please complete this form and submit via email to CodeCompliance@sequimwa.gov, or call Lisa Hopper at (360) 683-7227.

If the business is in an unincorporated area of Clallam County, the City of Sequim does not have jurisdiction. As of this time, Clallam County is asking that reports be submitted to the State website at <https://app.smartsheet.com/b/form/09349a1c56844b539fea1c2cabd16d56>.
