50+ Now Eligible for Dose 1 Vaccination Registration

Beginning late Friday afternoon March 12th, those aged 50+ may register for any DOSE 1 COVID vaccination drive-through clinic in Sequim, including spouses that may be younger than 50. The days currently open for vaccine registration are Saturday March 13th; Tuesday March 16th; and Thursday March 18th. Register online at <http://vaccine.clallam.net/register>. Once online registration is complete, a ticket with date and time should be printed and brought with you.

The Jamestown Family Health Clinic Dose 1 COVID vaccination clinics will continue to take registrations from school and school district employees and their spouses; and essential workers – including agriculture, food processing, grocery stores, food banks, public transit, corrections and courts regardless of age.

For those people who do not have internet access, the call center number is 360-681-3447. Volunteers at the call center will use the online system to make an appointment for you. Your registration will be on file at the check-in booth.

Check in at: Trinity United Methodist Church, 100 S. Blake Avenue, Sequim

For those people who need Dose #2: No need to make an appointment. Simply check-in on the date and time given to you when you received your first dose.
