Re: Determination of Nonsignificance Grubb Hendrickson Plat Alteration SUB-22-001

Steven Lachnicht,

The Jamestown S'Klallam Tribal Historic Preservation Office (THPO) has reviewed the Grubb Hendrickson Plat Alteration Project. The THPO does not have any information regarding cultural resources that would be impacted by this project. The THPO concurs with the City of Sequim's determination of no cultural resource impacts with the stipulation for an Inadvertent Discovery Plan during project activities.

Thank you for the opportunity to comment on this project. If you need any additional information, or in the event of any inadvertent discovery of cultural resources, please contact me at 360-681-4638 or ataylor@jamestowntribe.org

Sincerely,

Allie R. Taylor
