Responsive to memo of 6/9/23

My name is Charles Beall and I live at 648 N 7th Ave. My house borders the southern edge of the Hurricane Ridge Vet parking lot.
There are 8 legacy fir trees between my home (as well as my neighbor at 650 7th) and the Vet parking lot that have a VERY significant impact on the value of our properties. It's crucial to us that any easement, including water and power easements, does not in any way effect these trees.
Thank you,
Charles Beall
