Conditional Use Permit Application Submittal Requirements Checklist

***It is the responsibility of the applicant to ensure that all submittal requirements listed below, where applicable, are turned in as part of this application. Incomplete applications will not be accepted by the City of Sequim Department of Community Development. ***

A complete Conditional Use Permit application with all required studies and submittal materials
(\$825.00-minor or \$1,375.00-major - fee). Projects involving construction of public infrastructure (streets, utilities, etc.) require a Developers Extension Agreement.
***State Environmental Policy Act (SEPA) Checklist (and applicable fee).
Title Report or other proof of ownership.
Responses to all Conditional Use Permit review criteria under SMC 18.60.030 (Attached to this application).
Critical Areas special studies where required by the Critical Areas Ordinance (SMC 18.70 &18.80).
Preliminary Stormwater Drainage Plans, prepared consistent with the requirements of SMC Title 13.
Estimated quantities of fill exported and imported to the site.
Location of streams, irrigation ditches, drainage ditches, wetlands, ponds, floodways or other water courses on or within 200'of the proposed project.
Location, extent and type of wooded areas and all trees greater than eight inches in diameter, or identified as species of local significance.
Adjacent property owners' list for all properties located within a 300'radius obtained for Clallam County assessor's office.
A scaled vicinity map showing the subject property in reference to surrounding properties, streets, subdivisions, municipal boundaries, identified critical areas within 500'of the subject property, and including a north arrow.
Copies of any existing and/or proposed deed restrictions or covenants.
Draft maintenance agreements and proposed management entities responsible for tax payments and maintenance of common facilities (such as roads, stormwater facilities, open spaces, trails, parks, etc).
Preliminary utility plans, including provisions for water, sewer, underground power where appropriate, telecommunications, and solid waste disposal.
Preliminary landscaping plans.
