Congratulations, Joe! Sequim's Tree City USA application has been approved by the State of Washington, and now goes to The Arbor Day Foundation for its review and certification.

Per your message below, please let us know when you plan to celebrate Arbor Day, or when you would like Sequim's very **\*first\*** TCUSA award presented. We're excited to be part of the celebration for Sequim's initial Tree City year—the first of many to come!
