- *For Utility Connections, please use our Residential/Commercial Building Permit Application.
 - When submitting mechanical permits, please include equipment specifications and location of installation.
 - When submitting a plumbing permit, please include a floor plan that includes the scope of work.
 - When submitting re-roof permits, please include a site plan with the structure marked.
 - When submitting solar permits, please include a roof plan and equipment specifications.
 - For demolition permits, please include:
 - Photo(s) of the structure to be demolished.
 - Scaled site plan showing all structures, indicating which buildings (or portions of buildings) are to be demolished, and indicating the square footage to be demolished.
 - Copy of Olympic Region Clean Air Agency (ORCAA) Demolition Notification for projects over 120 sqft, or a letter stating that a permit is not required.
- ** See www.orcaa.org to obtain a Demolition Notification.**
